FAKE OR FORTUNE?

Every picture tells a story, but in *Fake or Fortune?* valuable paintings are about to be treated as crime scenes! Beyond the genteel galleries and upmarket auction houses of the art world lies a dimension rarely seen—a darker side of incalculable wealth, social ambition, and sometimes subterfuge. In the fourth season of this engaging mini-series, detective Philip Mould, journalist Fiona Bruce, and a team of scientists investigate a new batch of potential fine art forgeries to reveal compelling tales of lost masterpieces, forgers, and Nazi-looted art. **Airs Wednesday nights, 9 p.m., beginning April 5.**
