Local, state, and national conferences

**Comments regarding scholarly resources:**

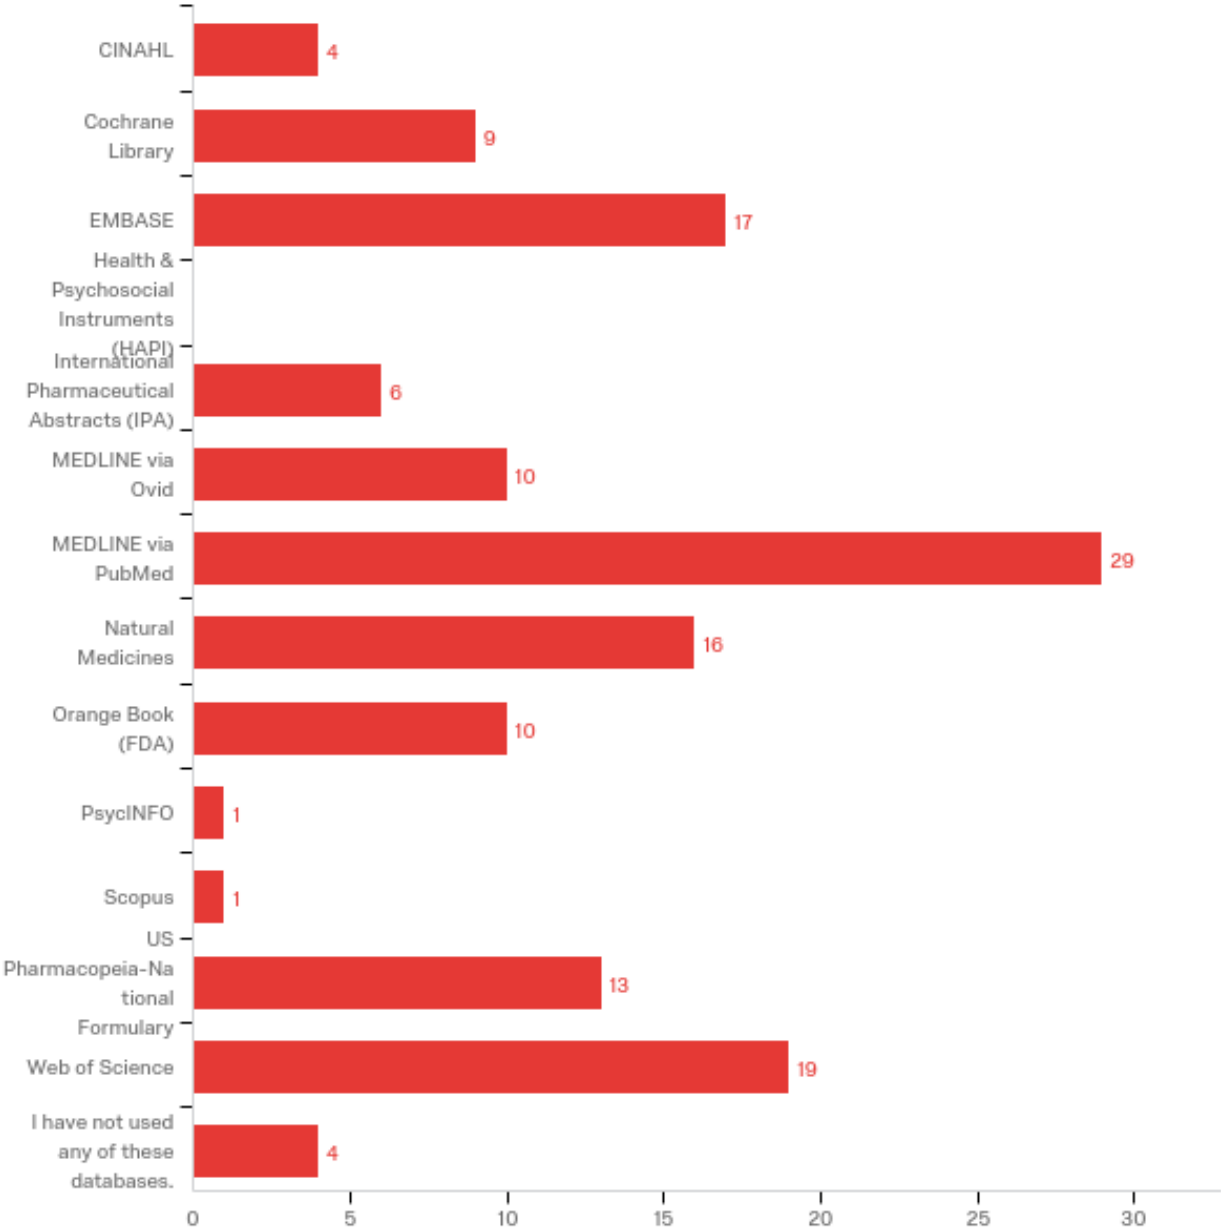

---

Up to Date is helpful. Please keep current resources including New England Journal of Medicine. I love Access Pharmacy and the resources at Shimberg and main library.

Select the Shimberg Library resources you have used in the past twelve months. Please check all that apply.

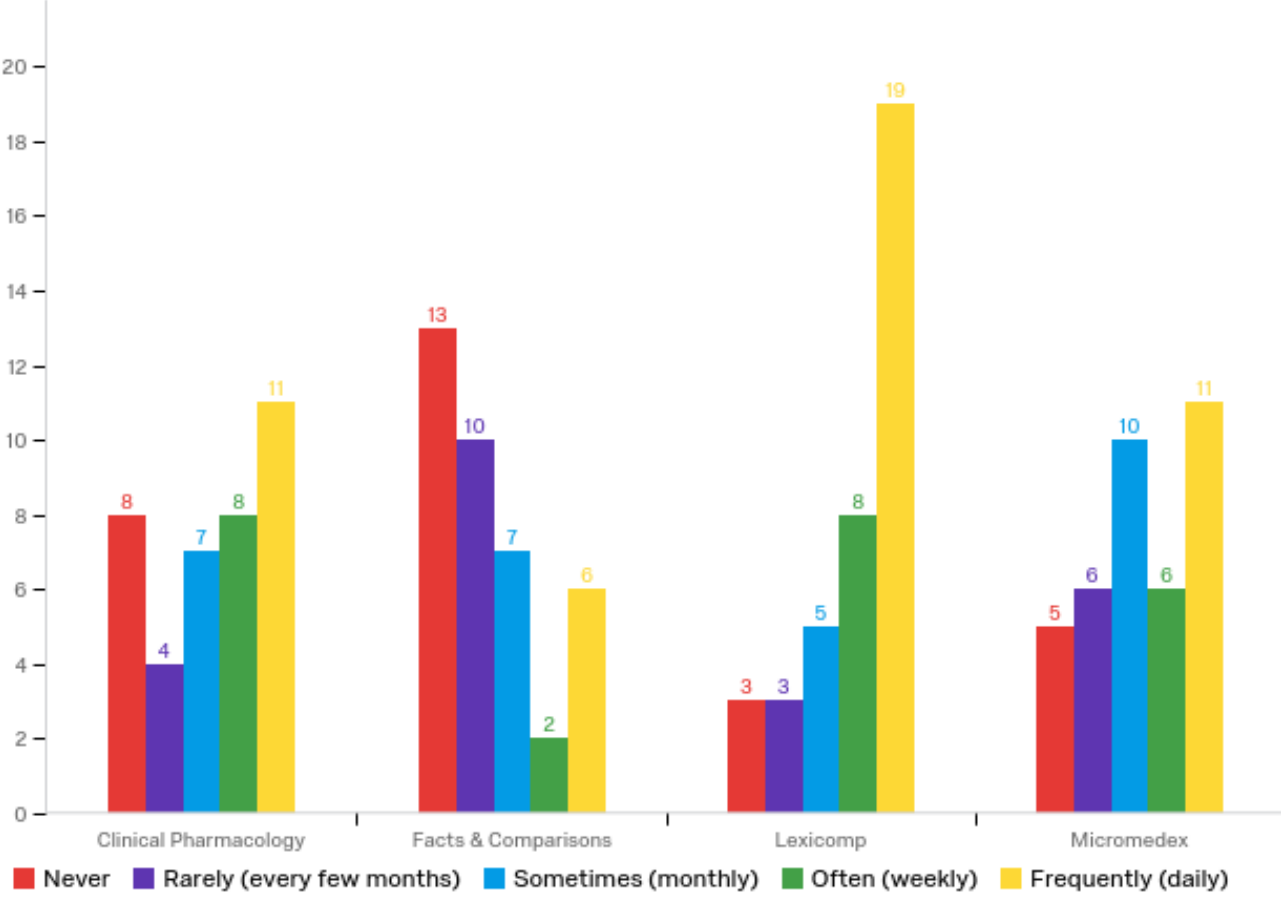

Which of the following scholarly resource databases have you used in the past twelve months? Please check all that apply.

**Comments:**

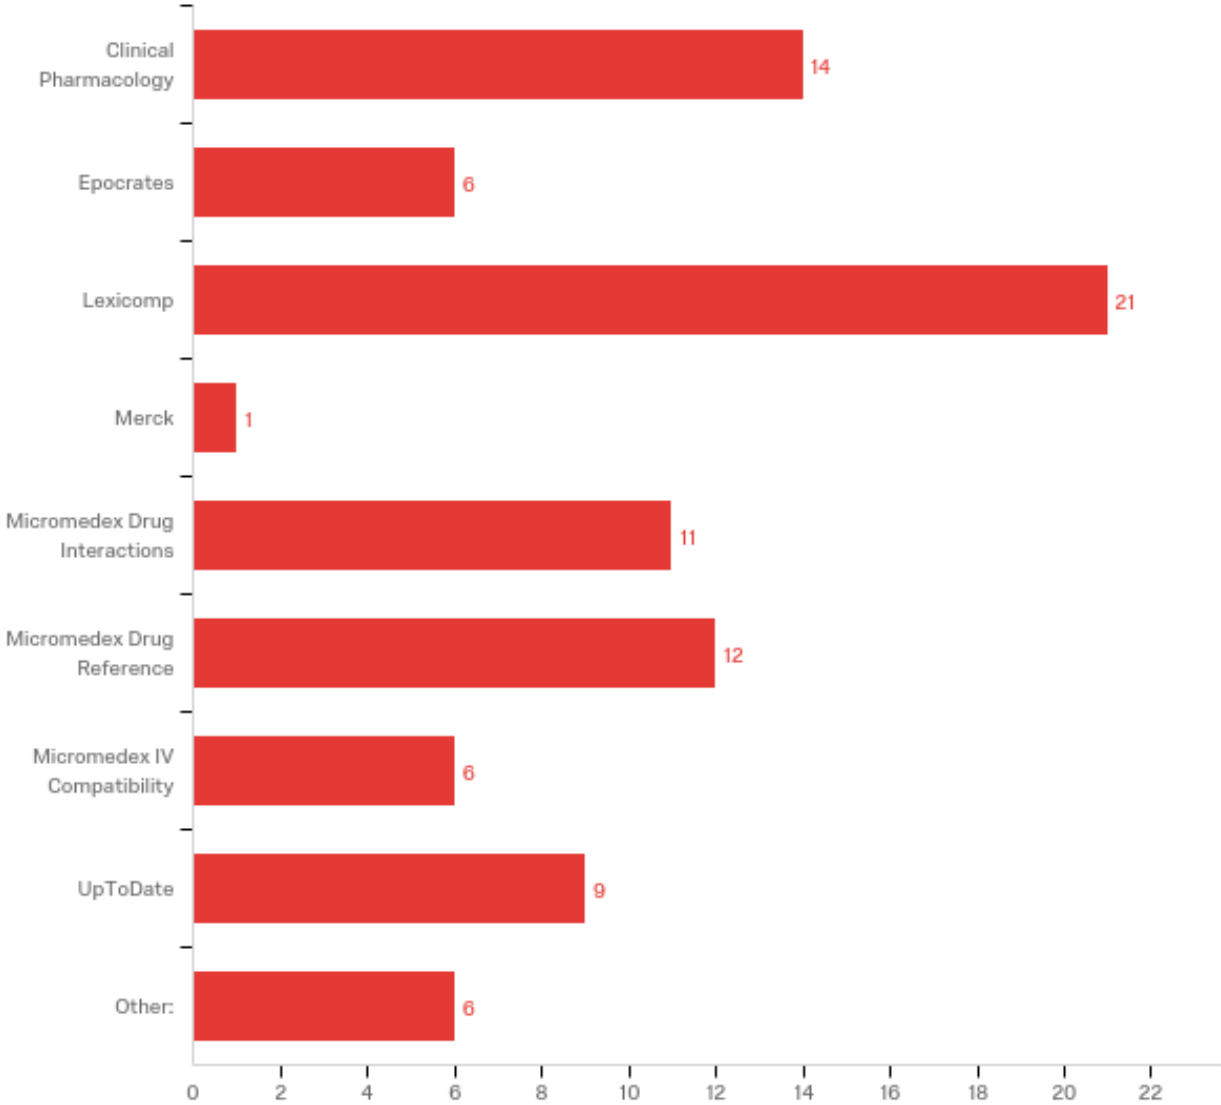

During my searches, I found some articles that were outdated but they still contained important information.

# How often do you use the following drug information databases?

**Do you use any of the following drug information / point of care apps on your mobile device(s)? (Please note: not all of these are available through the library!)**

**Other:**

N/A

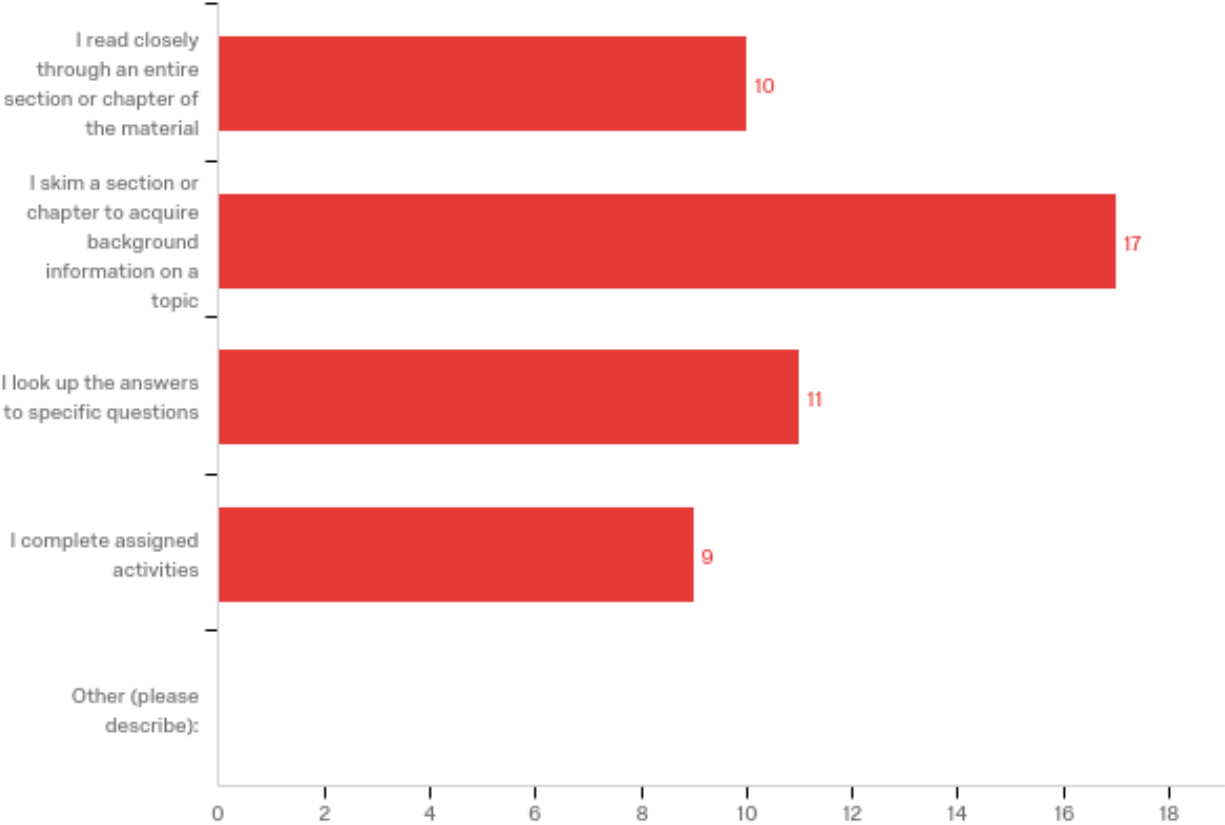

**Comments:**

I used to use the Micromedex apps, but due to the changes in passwords, I stopped using them.

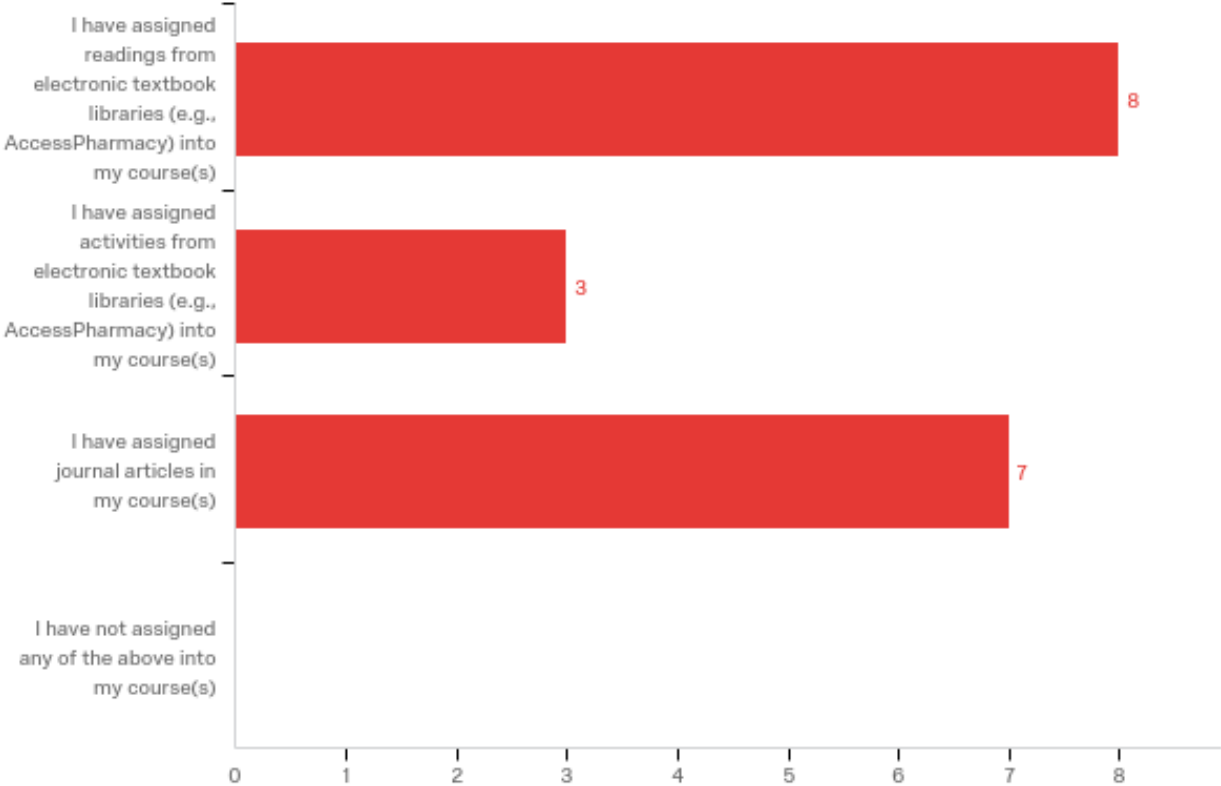

Absolutely love the UpToDate application

I downloaded the Lexicomp app, but I was unable to figure out how to log in using the Schimberg account.

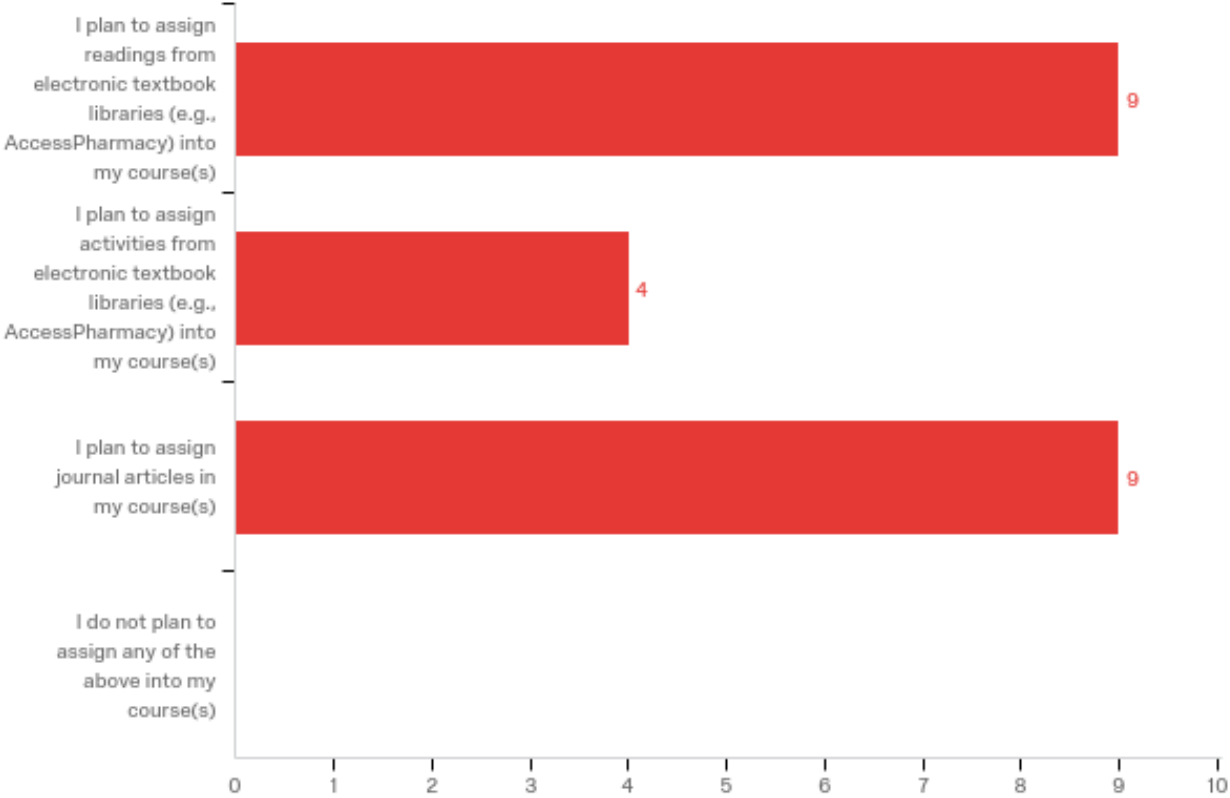

**[STUDENTS ONLY] How do you use electronic textbooks in resources such as AccessPharmacy or Pharmacy Library? (check all that apply):**

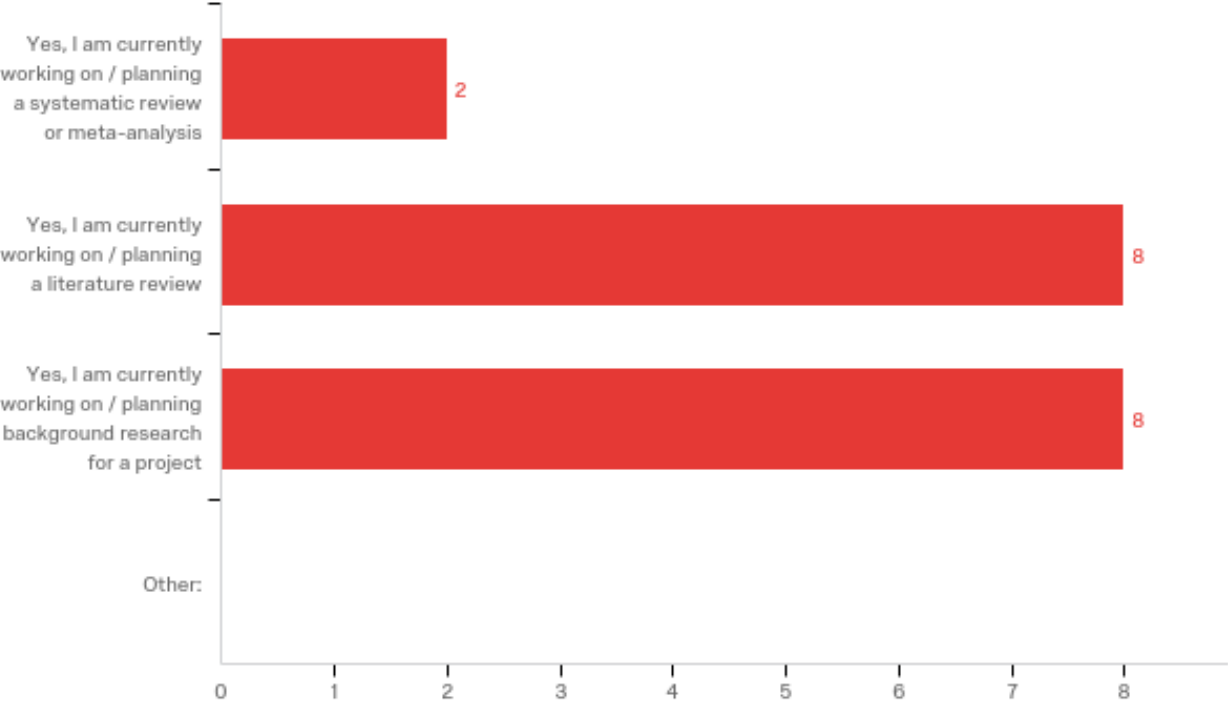

**[FACULTY ONLY] In the current academic year, have you incorporated electronic resources into courses that you teach? (check all that apply):**

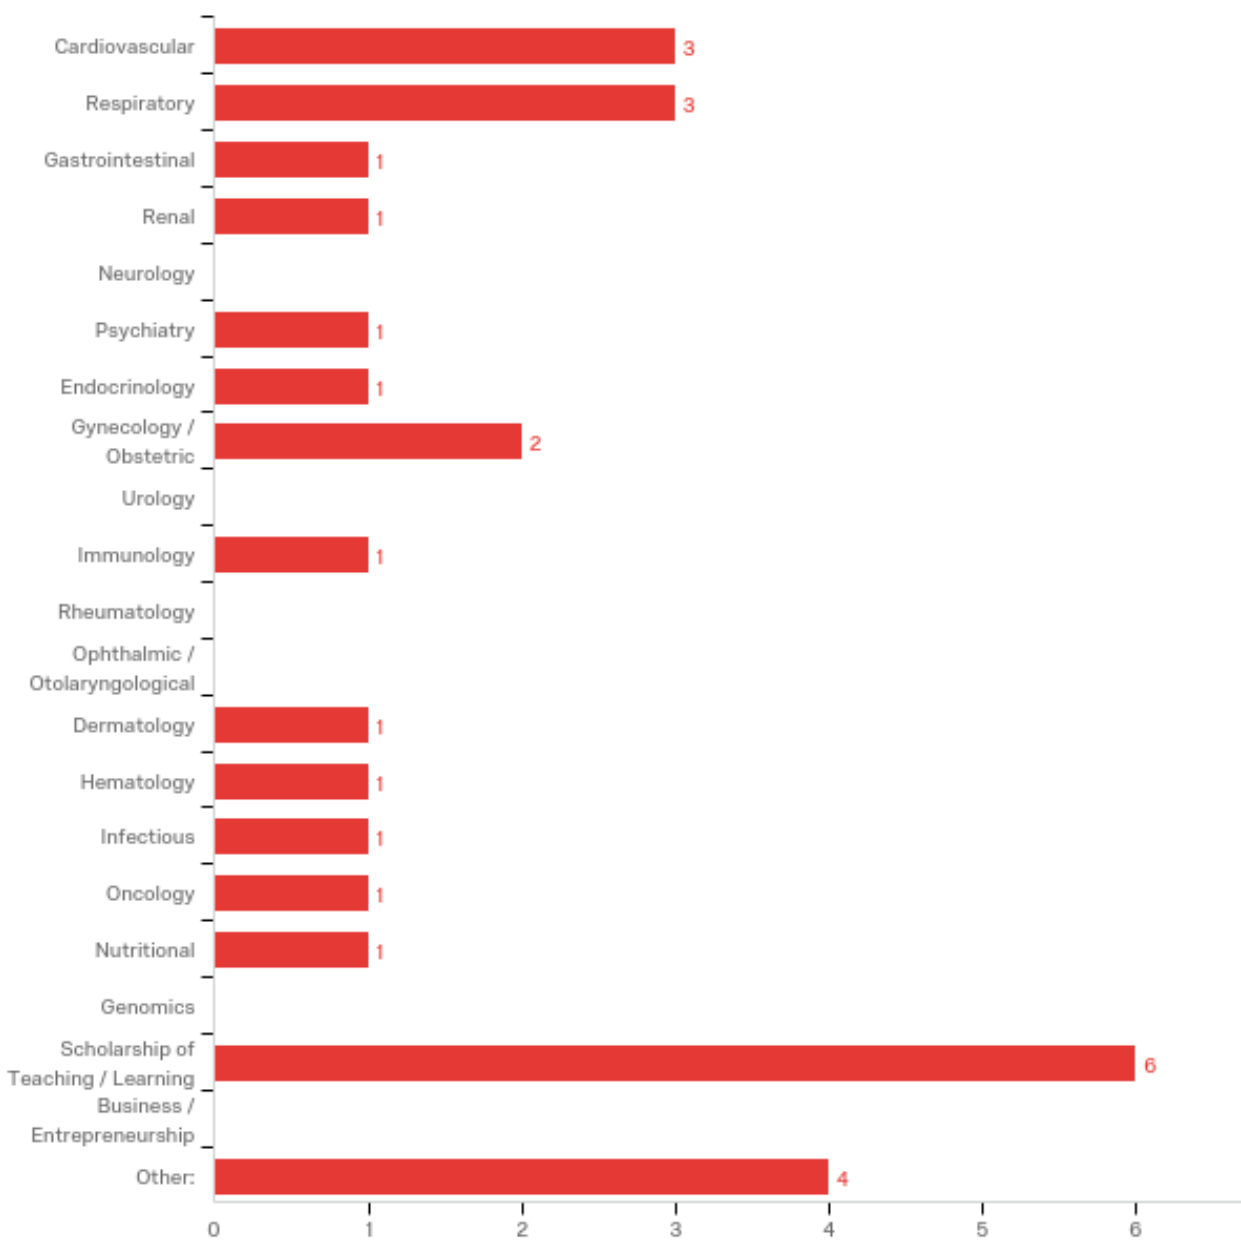

**[FACULTY ONLY] For the upcoming academic year, do you plan to incorporate electronic resources into courses that you teach? (check all that apply):**

**[FACULTY ONLY] Do you have current or anticipated projects (within the next 12 months) that will require access to library resources to complete? (Select all that apply.)**

**[FACULTY ONLY] What is the subject area for your current/planned research. (Select all that apply.)**

thank you for granting us the privilege of having these resources. very much appreciate it.

---

more MAC computers should be available.

---

We need more free daily prints!

---

Thanks for the survey and your continued commitment to excellence.

---

NA

---

I think the books should be moved and it should be entirely for studying via laptop with chargers and quiet spaces

---

I suggest that the library be the coolest place for the student success.
