Ecological Anthropology**

DEPARTMENT OF ANTHROPOLOGY
UNIVERSITY OF GEORGIA
USA

VOLUME 1, 1997
SECOND EDITION

Preface

This journal grew out of consensus among graduate students in the Department of Anthropology at the University of Georgia that an outlet was needed to share the new concepts and approaches to ecological anthropology that are underway. As our program in ecological anthropology continues to develop, I hope that this journal serves to document research and theoretical innovations and provide a forum for creative thinking and critical inquiries.

John R. Stepp, Editor

Editorial Staff: Rebecca Zarger, Felice S. Wyndham, Julie Wiczkowski, Anna Waldstein, Suzanne Joseph, Eric Jones, David Casagrande

Acknowledgments

Thanks to the Laboratories of Ethnobiology for allowing use of office space and production technology; Stephen Kowalewski for his continued support of this project from its inception; Charles Peters for providing the intellectual inspiration behind this volume; the UGA Department of Anthropology for financial support; and Donna Gayer for design assistance.
