Description:

To Whom it May Concern,

My name is Mary McKelvie and I am currently approaching graduation from my MA degree from the University of South Florida. The focus of my thesis is your Hate Map. I have already written my analysis but am wondering if I could use an image of the map that will be published on ProQuest. I will give the office a call as well, but wanted to have my inquiry written down as well. Please feel free to call or email me at any time - I look forward to hearing from you!

All the best,

Mary McKelvie
