Nature “Animal Odd Couples” showcases the most unlikely cross-species relationships imaginable: a chimp bottle-feeding a tiger cub; a giant tortoise snuggling a baby hippo; a black crow parenting a meerkat. Does this bonding form only when animals are removed from their natural environments? Or are they evidence of a broad array of emotions among animals? Witness these remarkable relationships and explore what they suggest about the nature of animal emotions.

**Airs Thursday, November 29, at 8 p.m.**
**Doo Wop Discoveries** My Music opens its extensive archives to present many never-before broadcast doo wop classic artists and songs from the vocal group era. Doo Wop Discoveries brings back these favorite tunes with new performances, and rare archival gems. Enjoy the sounds of The Del Vikings, The Clovers, The Drifters, Larry Chance & The Earls, Johnny Maestro & The Brooklyn Bridge, Little Anthony & The Imperials, and many more in this inspired special. Airs Saturday, November 24, at 4 p.m.

**Motown: The Big Hits and More** This program of original Motown classics from 1958 to 1968 features many of Motown’s biggest hits. B-sides, album cuts and radio classics from the Temptations, the Four Tops, Marvin Gaye, the Supremes, the Miracles, Martha & the Vandellas and more. The My Music team spent the last year in the Motown vaults assembling this special, which features the biggest and best moments from past PBS Motown specials, enhanced and extended with additional footage and archival gems. Airs Saturday, November 24, at 9 p.m.
