Secrets of the Dead

**ULTIMATE TUT**

In ninety years ago in Egypt’s Valley of the Kings, the greatest archaeological find in history was made: the discovery of Tutankhamun’s tomb and its golden treasures. It made Tutankhamun the most famous name in ancient Egyptian history. But the real story has become shrouded in myth, with many mysteries around the tomb unsolved to this day.

This two-hour special combines the latest evidence from a team of archaeologists, anatomists, geologists and Egyptologists to build the ultimate picture of Tutankhamun. Blending 3D presenting fresh insights into how Tutankhamun was buried, why his tomb was the only one take a 21st-century approach to ancient history, following new scientific research and
