NATURE: Love in the Animal Kingdom

Animals dance, sing, flirt and compete with everything they’ve got to find and secure a mate. But can we call these bonds love? In this look at the love life of animals, we see the feminine wiles of a young gorilla, the search for Mr. Right among a thousand flamingos, the soap opera arrangements of gibbons, and all the subtle, outrageous, romantic antics that go into finding a partner.

Airs Thursday, February 13, 8 p.m.
