A lot to learn!

As part of WUSF’s ongoing commitment to education, we’ve partnered with public television stations statewide to offer Florida PBS LearningMedia to educators and families in our community. Florida PBS LearningMedia is the destination for high-quality, trusted digital content and solutions that transform learning and fuel student engagement. This free service is available to Florida educators through the support of the state legislature which ensures that learning environments across the Sunshine State have access to the library’s collection of more than 100,000 standards-aligned resources.
