Judicial Ethics Act

503.1 Legislative Intent: The Judicial system is based on the Principle that an independent, fair, and competent judiciary shall interpret and apply the laws that govern, and the role of the judiciary is central to the American concepts of Justice and Rule of Law. Intrinsic to this concept are the precepts that justices, individually and collectively, must respect and honor the judicial office as a public trust and strive to enhance and maintain confidence in the legal system. The Justice is an arbiter of facts and law for the resolution of disputes and a highly visible member of Student Government under the Rule of Law.

503.2 The Judicial Ethics Act, hereafter “the Act,” established standards for the ethical conduct of the Supreme Court Justices on and off the bench. The statutes below should be read together as a whole and each provision should be construed in context and consistent with every other provision. Nothing in the Act shall either impair the essential independence of Justices in making decision or provide a separate basis for civil liability.

503.3 The Act governs the conduct of Justices and is binding upon them, whether disciplinary action is appropriate and the degree of discipline to be imposed requires a reasoned application of the text and consideration of such factors as the seriousness of the transgression, whether there is a plan of improper activity, and the effect of the improper activity on others or on the judicial system.

503.4 A Justice shall uphold the integrity and independence of the judiciary. A justice shall participate in establishing, maintaining, and enforcing high standards of conduct and shall personally observe those standards so that the integrity and independence of the Judiciary shall be preserved. The provisions of the act are to be applied to further this objective. A Judicial decision or administrative act later determined to be incorrect legally is not itself a violation of the Act.

503.5 A Justice shall avoid impropriety and the appearance of impropriety in all of his or her activities through following the measures prescribed below:

503.5.1 A Justice shall respect and comply with the law and shall act at all times in a manner the promoted public confidence in the integrity and impartiality of the Judiciary.

503.5.2 A Justice shall not allow family, social, political, or other relationships to influence their conduct or judgment, nor shall a Justice convey, or permit others to convey, the impression that any individual is in a position to influence a Justice.

503.5.3 A Justice shall not lend the prestige of Judicial Office to advance the pecuniary or personal interests of the Justices or others, nor shall a Justice testify voluntarily as a material witness before the Student Government Supreme Court.

503.6 A Justice shall perform the duties of the Judicial Office impartially and diligently, following the measures prescribed below:
503.6.1 A Justice shall hear and decide all matters assigned to the Supreme Court except those in which he or she recues themselves.

503.6.2 A Justice shall be faithful to the law regardless of partisan interests, public clamor, or fear of criticism.

503.6.3 A Justice shall be patient, dignified, and courteous to all with whom the Justice deals with in an official capacity; a Justice shall also require similar conduct of all counselors, Supreme Court staff, and personnel under the Justice’s direction and control.

503.6.4 A Justice shall perform Judicial duties without bias or prejudice. A Justice shall not, in the performance of Judicial duties, by words or conduct, manifest bias or prejudice, including but not limited to bias or prejudice based upon race, gender, religion, national origin, disability, age, sexual orientation, or socio-economic status.

503.6.5 A Justice shall require student counselors in proceedings before the Justice to refrain from manifesting, by words or by conduct, bias or prejudice based upon race, gender, religion, national origin, disability, age, sexual orientation, or socio-economic status against parties, witnesses, counselors, or others. This rule does not preclude legitimate advocacy when such issues are involved with the proceeding.

503.6.6 A Justice shall dispose of all matters fairly, promptly, and efficiently.

503.6.7 A Justice shall not make any public comment about a pending or impending proceeding in the Supreme Court, and a Justice shall not make any non-public comment that might interfere with a fair trial or hearing. The Justice shall require a similar abstention on the part of Supreme Court personnel subject to the Justice’s direction and control.

503.6.8 A Justice shall not disclose or use, for any purpose unrelated to his or her judiciary capacity, non-public information acquired in a judicial capacity.

503.6.9 A Justice with supervisory authority for the judicial performance of other Justices shall take reasonable measures to ensure the prompt disposition of matters before them and the proper performance of other judicial responsibilities.

503.7 A Justice with reliable information that another Justice has violated any provision of the Act shall initiate appropriate corrective action procedures.

503.8 A Justice shall recuse himself or herself in any proceedings in which recusal is required by Florida law. In all trial proceedings, a Justice shall disclose information that parties might consider relevant to the question of recusal, even if the Justice believes there is no actual basis for recusal.

503.9 A Justice shall so conduct extrajudicial activities as to minimize the risk of conflict with judicial obligations, following the measures prescribed below:

503.9.1 A Justice shall conduct extrajudicial activities so they do not:

503.9.1.1 Cast reasonable doubt on his or her capacity to act impartially.

503.9.1.2 Demean the judicial office.

503.9.1.3 Interfere with the proper performance of judicial duties.

503.9.2 A Justice shall not engage in financial and business dealings which:
503.9.2.1 May reasonably be perceived to exploit the Justice’s position.
503.9.2.2 Involve the Justice in frequent transactions or continuing business relationships with counselors or other people likely to appear before the Supreme Court.

503.9.3 A Justice shall under no circumstances accept a gift, bequest, favor, or loan if the donor or lender is a party whose interests have come or are reasonably likely to come before the Supreme Court.
503.9.4 A Justice shall not practice in the function of Student Counselor.
503.9.5 A Justice shall not publicly endorse or oppose a candidate for Student Government Office. A Justice shall not personally solicit funds or make contributions for any candidate for Student Government Elections.
503.9.6 Justices shall not engage in any political activity within Student Government, other than in relation to measures concerning the improvement of the law, the judicial system, or the administration of justice.

Appeals of the Supreme Court

505.1 The Supreme Court is the final judicial authority within any case or controversy within Student Government. Any other external case or controversy may be appealed to its respective appellate board or designee. The Director of SGATO shall determine who the respective appellate board or designee is, by memorandum to JuSenEx.

505.2 The respective appellate board or designee shall determine if the matter is of an external nature, and if they are the proper appellate board or designee.

505.2.1 If the original appellate board or designee determines it shall be sent to a more appropriate board or designee, SGATO shall forward it to said appellate board or designee.

505.3 If a student wishes to appeal a ruling of the Student Supreme Court, they must submit their case to SGATO via printed material. SGATO shall then time stamp the appeal and all evidence/statements from the appealing party. SGATO shall then contact the adverse parties and Chief Justice and inform them that the ruling has been appealed. They shall have five (5) business days from that point to turn in any evidence and/or statements to SGATO. SGATO shall also concurrently contact the Chief Justice to inform the Court of the appeal. The Chief Justice within five (5) business days may also submit any evidence and/or statements on behalf of the Supreme Court. No other parties may submit evidence and/or statements.

505.3.1 If there are any dissenting opinions, then the highest ranking justice on each opinion will have five (5) business days to turn in any relevant evidence and/or statements.

505.4 Once any evidence/statements are submitted to SGATO, SGATO will time stamp any evidence/statements. Once SGATO has received all evidence/statements, they shall forward the appeal, evidence, and statements to the respective appellate board or designee.

505.4.1 If all evidence/statements are collected before the end of the five (5) business days, SGATO may forward the appeal, evidence, and statements to the respective appellate board or designee prior to five (5) business days.

505.5 The respective board appellate board or designee shall inform SGATO of their decision, and SGATO shall release the decision to all parties and JuSenEx within two (2) business days of receiving it.
